EMPLOYER'S FEEDBACK AND ACTION TAKEN REPORT

Academic Year : 2022-23

Suggestions and Recommendations	Action Taken Report
Add-ons and certificate courses for the students should be initiated to facilitate the curricular growth of the students.	◆The college is conducting an add-on course viz CST&P for the students to equip them for their profession.
The college needs to invite more guest speakers and resource persons from the academic and industrial fields.	◆Seminars, Special Lectures, and workshops were organised to sensitise students to contemporary developments. ◆Professionals from the academic and industrial fields were brought to the campus for wider exposure.
To promote self-study among students should be encouraged.	◆Students were encouraged to visit the library regularly. ◆They were motivated to enroll in different online certification courses in MOOCs to understand subject fundamentals.
Students should be made more proficient in English.	◆Students are encouraged to visit the language lab regularly to equip themselves with proficiency in English.
Problem-solving approach of the students should be improved.	◆The college is constantly working to initiate new programmes to develop the student's problem-solving skills, leadership qualities, crisis management skills, communication skills, and other interpersonal skills.
It is essential to groom the students following the current market requirements.	◆Internships, part of the curriculum, will provide better industry exposure to students. ◆The college is committed to continuously improving the quality of education and ensuring the student's success in the professional sphere.
Inclusion of more practical sessions in the curriculum should be initiated.	◆Use of modern technology as teaching and learning tools were encouraged. ◆The students were encouraged to visit the computer laboratory regularly to equip themselves with new technologies.
The college needs to have more MOUs and collaborations with other institutes and colleges.	◆The college had a number of collaborations with other institutes and colleges to foster holistic academic growth of the students.
In addition to offering career guidance sessions to choose the right course for higher studies, the college should contemplate initiating training programmes for employment-based requirements and competitive examinations.	◆The college has widened the scope of placement cell by organising workshops and career counselling sessions to foster professional proficiency.
